## 2014 Summary

In 2014 Marching Mountains continued to receive instruments from donors around the country. We also continued to ship instruments to schools in the network at a sustained rate.

Marching Mountains was also able to secure a drop-off location in Minneapolis to make it more convenient for donors to donate instruments.

In the Twin Cities of Minnesota, please drop-off instruments in good -working condition:

“That's great to hear (about this donation) because I have an 8th grade clarinet player that is using a school clarinet that's in pretty rough shape so I can put it to use.”
