## Stories

In 2012, we had a drop in instrument donations as we focused on creating a tool to allow us to more easily match band programs with specific instrument donations. We worked diligently to create an online system that would help streamline the donation process. In early 2012, we recently released the first phase, which will allow band directors to keep their Top 5 list up-to-date.

For band directors to participate and let us know what their current needs are, they may visit [www.MarchingMountains.org](http://www.MarchingMountains.org) and follow these steps:

1. Click on "Register" at the top of the page to create an account
2. Once registered, click on their name at the top of the page, then click on "Register your school with Marching Mountains" to add their school.
3. Select their top 5 most-needed instruments from the list.
4. Drag and drop the instruments to arrange them in order of importance.
5. Enter their school information.
6. Save their changes.

We'll now be able to match schools with instrument donations we receive. Band directors can access and change their list any time.

“That's great to hear (about this donation) because I have an 8th grade clarinet player that is using a school clarinet that's in pretty rough shape so I can put it to use.”
